

Lucy Frazer QC MP
HOUSE OF COMMONS
LONDON SW1A 0AA

Ms Jessica Ashbridge
Clerk, Weston Colville Parish Council

Tuesday 24th August 2021

Dear Weston Colville Parish Council,

As you will know, the Covid-19 Pandemic has been one the most difficult challenges faced by our country in decades. It has affected almost every walk of life, and required every organisation to go to extreme lengths to maintain what used to be standard day-to-day operations. I wanted to take this opportunity to thank Weston Colville Parish Council for all that you have done throughout last year and this year, to continue to provide leadership and support to the local community. I have been particularly impressed by the ability of our parish councils to remain accessible to residents in such trying circumstances, and am enormously grateful to you for your hard work.

We are now at the stage where we are returning to normality, largely due to the widespread availability of vaccines. As we return to more familiar practices, I want to ensure that those who have dedicated much of their time and effort to their local communities are recognised. I am very mindful that we would not have been able to come this far without the extraordinary efforts of key individuals at a local level, many of whom have worked tirelessly.

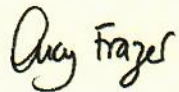

With that in mind, I have launched the COVID Community Champions Awards, which seeks to identify and highlight the hard work of residents in South East Cambridgeshire, whose efforts have been an inspiration. These could be volunteers who have helped more vulnerable members of the community at their own initiative, colleagues who have taken on a wealth of new responsibilities, or anyone else whose contribution you feel merits greater recognition.

If anyone you know meets this description, please do consider nominating them to be a Community Champion so that their work can be highlighted. Nominations can be e-mailed to me using lucy.frazer.mp@parliament.uk In addition, I have included three copies of a poster to advertise the initiative. I would be most grateful if you could display these in your community noticeboard and any other appropriate prominent locations in the community.

Member of Parliament for South East Cambridgeshire

It is my sincere hope that by identifying those whose care and support has helped those around them, we can encourage others to follow their example in the months and years ahead, ensuring that our local community goes from strength to strength.

Yours sincerely,

A handwritten signature in black ink, reading "Lucy Frazer". The script is cursive and fluid, with the first name "Lucy" and the surname "Frazer" clearly distinguishable.
