### ***Telephone Boxes in Weston Colville***

Congratulations and thanks to Jo and Daniel Jackson and all their helpers for the work they have done on the telephone boxes, which now look amazing. The painters have done a wonderful job, even picking out the four golden crowns on each face of the boxes. Very smart!

*Christine Tilley (and others)*

### ***Duke of Edinburgh Award***

Congratulations to Zac Williams-Gray for completing his bronze award community service. Zac was keen to get as much physical exercise as possible so we hit the ground running, clearing up a huge number of leaves on the recreation ground, outside the village hall and generally around Bull Lane Corner and the triangle of grass by the village sign. Bull Lane Corner was much improved by this, and I know the couple in Pear Tree Cottage were delighted with the outcome.

We also cut the hedge opposite The Lamb, and litter-picked down Six Mile Bottom Road and Fox Lane (once in the pouring rain).

Well done, Zac. It was a pleasure working with you – you made a real difference.

**Book Exchange at Church End**

There's again double news this month. We're happy to say that, as some of you will have seen, the phone box is now 'good as new' having been spruced up and repainted in recent weeks. Also, we have a theme for May: gardening, as nature has woken and we can enjoy being outside getting ready to tidy here and beautify there. There'll be a special shelf and if you're looking to 'weed out' some gardening books of your own, please send them our way. A handful will fit in the red box that's on the floor, and if you have a bag of books to put in, gardening or otherwise (we're also interested in fiction and books for teens . . . anything in reasonable condition), just leave them on one of our doorsteps, or call Joyce on 07980 404764. As always, happy reading!

### ***RAF Wratting Common***

A short open-air May Memorial Service will be held at 12 noon on **Sunday 29<sup>th</sup> May** at the RAF Wratting Common Memorial, to commemorate the 33<sup>rd</sup> anniversary of the unveiling of the memorial stone. The last Sunday in May was chosen as it was the same day in 1943 (Sunday 28<sup>th</sup>) that the airfield was commissioned. The memorial is dedicated to those who served at the airfield, especially the 260 who gave their lives in the cause of freedom. We look forward to seeing some of the veterans who served with XC Squadron, 1651 Heavy Conversion Unit and 195 Squadron. Cadets from 1451 (Haverhill) Squadron of the Air Training Corps will be on parade.

The memorial is situated at Weston Woods Farm, Weston Colville, CB21 5NR and all are very welcome to attend the service. For further information please email [rafwrattingcommon@gmail.com](mailto:rafwrattingcommon@gmail.com)

We are always pleased to hear from anyone interested in getting involved with the airfield memorial. With

Any orders left by email will always be acknowledged; if you do not get a reply, we haven't received your order. Please don't phone before 8 am or after 10 pm (leave a message during the day). We keep a note of any special requirements, such as needing a phone call the day before delivery to arrange access; please let us know if you wish to change these. The minimum delivery is 500 litres; this is a Trading Standards ruling because of the accuracy of lorry gauges. To get the minimum ask for 500 litres; do not ask for a 'top up' because you might get a 'fill up'.

Please ensure we have your correct address and post code. If you are close to running out, tell your contact. The price will not be known until the order is placed, and the supplier may ring for payment before delivery (failure to reply to this call may put your order in jeopardy) or bill you direct after delivery.

**West Wrattling Oil Syndicate**

There will be a West Wrattling Oil Syndicate fill-up this month and the order cut-off is Monday 9<sup>th</sup> May at 6.30 pm. Place your orders either by email to me at [westwrattlingoil@gmail.com](mailto:westwrattlingoil@gmail.com), putting your surname in the subject box, or by phone/text on 07982 291922. I will reply to all communications within 48 hours. If you require a 'fill-up' please provide a rough estimate of the quantity and also make sure that you tell me if you have any special delivery requirements. Remember that syndicate orders take at least a couple of weeks from the cut-off date to be collated, brokered and delivered, but if you take the minimum of 500 litres every time there's a fill-up, you'll always be buying at the best price.

**From the Rectory**

I'm someone who usually loves an excuse for a party or gathering! Like many, then, I've really missed these things at times over the pandemic. Yet it hasn't just been about missing celebrations. Over the last two years, we have missed so many of the markers of times and seasons in our lives. It may well have felt a little disorientating! Times of celebration and mourning, anniversaries and birthdays, community festivals and gatherings, often kept, but in radically different ways. Some were postponed, reduced in numbers or moved online. Yet marking such times and seasons remains of great importance in giving shape to our lives and I'm so grateful we can do this more regularly now.

We will soon be reminded again of this importance as we look ahead to a very special weekend in early June. The weekend of Sunday 5<sup>th</sup> June will see people around the country, and indeed the world, gather to celebrate the Platinum Jubilee which marks the 70<sup>th</sup> anniversary of the accession of the Queen, and to give thanks for her service and dedication as monarch. As churches we will be marking the occasion with a special service in each of our parishes on that Sunday and will then enjoy being part of the many parties in each village that afternoon!

That Sunday will also be another type of anniversary when the church celebrates Pentecost, sometimes known as the 'birthday' of the church. At Pentecost we remember the gift of the Holy Spirit to the disciples gathered in Jerusalem after the resurrection of Jesus. This astonishing gift of God's Spirit, as described in the book of Acts, bound together the early church in worship and shared life, and empowered them to reach out to others in the name of

Jesus. As with other anniversaries, it also helps remind the church of its calling and purpose today, as we seek to share the joy and good news of life in the Spirit.

Marking the times and seasons, and being grateful for all that is good in our lives, shapes our humanity. It shapes our sense of purpose, helps us cherish the time we have, and may increase our capacity for joy. It may also, as Pentecost reminds us, draw us more deeply into the life of the Spirit and lead us, in all the seasons of our lives, to praise, prayer and thanksgiving.

### ***West Wratting Support Group***

When we were 'locked down' in 2020, various people in the village were part of an email group providing help where and when it was needed – shopping, transport for vaccinations, etc.

Many in this group are now back at work and no longer able to help in quite the same way. But there is still a need: eg help in transporting people to health centres/hospitals, shopping for people when they are ill or isolating with Covid etc, picking up prescriptions when people need urgent antibiotics.

A small group of us have just formed a West Wratting WhatsApp support group. Requests for help can be made to any member of the group who will then WhatsApp the group to see who might be able to comply. This worked very well during lockdown and recently.

Would you like to join us? If you'd like to help, let me know. As always, I am more than happy to answer questions.

*Suan Rowland (suanrowland@btinternet.com, 290788)*

### ***Weston Green Telephone Box***

Now that both boxes have had a spruce up and are awaiting new signage as I type, the book exchange has reopened but the Weston Green box remains empty. The seed and plant exchange was utilised well in 2020 but rarely in 2021, during light Covid restrictions, which suggests it has outlived its purpose. It would be useful to me to hear how you would like to use this resource. Could it have a greener, more sustainable use in the village or can the seed and plant exchange be expanded?

*Jo Jackson (291258)*

### ***The Village Green Group***

Eight of us met on April 18<sup>th</sup> for an exchange of ideas and tea and cakes. Several themes were evident but some of them require the whole village to be involved (that's you, Weston Colville).

The broad aims of the group are to share recycling, reusing and reducing tips and information, to decrease consumption of materials and care for the local environment (and by implication the wider environment too). Below are some of the points discussed.

**PUBLICISE** shops which provide refill facilities/products. The outlets that we knew about were **Arjuna Wholefoods**, Mill Road, Cambridge; **Daily Bread Co-operative**, Kilmaine Close, Cambridge; **Plumbs Dairy**, Linton; **Full Circle**, Norfolk St, Cambridge; **Radmore Farm Shop**, Victoria Avenue, Cambridge; **Nourish**, Linton High St. All have websites.

**SOCIAL MEDIA** – '39 ways to save the planet' Podcast; '**Zerowaste Guide**' on Instagram.

**SHARING** – car journeys to Cambridge in particular but other places as well. Green bin sharing seemed to be a thing. Composting was also discussed, as was resurrection of the seed/plant exchange. Sharing of recipes for seasonal gluts of vegetables and fruit, and even larger garden equipment, eg pressure washers.

Information about **RECYCLING** by arranging a visit to the Cambridge recycling centre on the A10.

Another idea that was well received was to organise a meeting at the Reading Room and invite **SUSTAINABLE ENERGY PROVIDERS** to give presentations, if there was enough interest. We will contact South Cambs DC about energy saving incentives.

**LOCAL ENVIRONMENT** – it was evident that a lot of us do collect litter when we are out and about in the parish but were unaware of other people doing the same. It was good to hear that there are other wombles in the village.

The next meeting is on 15<sup>th</sup> May; all welcome. If anyone wants more information please contact me; details below, or via the village WhatsApp Group.

*Jackie Brearley*

### ***Recycling Pet Food Pouches***

South Cambs DC has a lot of information on their website about their rubbish collection and recycling, but they can't take pet food pouches. These can however be washed and recycled in a bin just inside the door of the Newmarket branch of Tesco (and at other branches). Apparently many Co-op stores also now offer facilities for recycling similar plastics.

### ***Jubilee Flower Festival, St Andrew's***

Saturday 4<sup>th</sup> and Sunday 5<sup>th</sup> June, 10.30 am - 5.30 pm

As part of the West Wrattling Platinum Jubilee celebrations there will be a flower festival in St Andrew's Church.

The church has undergone restoration inside and outside during the last five years and is looking beautiful.

There will be a service of Songs of Praise and Thanksgiving on the morning of Sunday 5<sup>th</sup>, details of which will be announced.

We would like to have a contribution of a flower arrangement from each group or organisation in the village, to include for example the parish council, Saturday café, keep fit, book club, Friday night pub-goers' group, Thursday lunch club, and children who attend the Meadow school. These arrangements will be included with others from our regular arrangers.

If you are able to take part please contact Fanny Peers (07702 122353) or Linda Gorman (290653).

### ***Exhibition: Coronation & Jubilee Memories***

As part of the Platinum Jubilee Celebrations we will be holding a display of villagers' memorabilia from the Coronation and previous jubilees. We already have material provided from the Diamond Jubilee but if you were not living in the village at that time please let us know if you have any souvenirs etc.

*Linda Gorman (290653)*

## **Fun Family Dog Show**

As part of the Weston Colville Jubilee celebrations in June, there will be a Fun Family Dog Show with classes that should appeal to anyone with a dog. The classes are as follows and will start at 2.30 pm on the cricket field. Entries on the day, £1/class.

4. **Best Paw Shaker** (dogs will shake hands with the judge)
5. **Best Junior Handler, under twelve years old** (walk to heel on a loose lead with a change of direction, sit, down, short stay – on lead one step away from the dog and return without the dog moving)

### Nature Notes

It's late spring already and the Cuckoos are coming back! Joyce Oliver heard one in Weston Colville on 19<sup>th</sup> April. This BTO map shows the position of twelve satellite-tracked British Cuckoos on 18<sup>th</sup> April.

As you can see, two birds (called 'Ellis' and Grove') had reached the UK, four were in western Europe, and the rest still in continental Africa. See where they are now at [www.bto.org/our-science/projects/cuckoo-tracking-project](http://www.bto.org/our-science/projects/cuckoo-tracking-project). Cuckoos spend at most ten weeks in the UK and overwinter in the Republic and Democratic Republic of the Congo, so calling them British birds is rather inaccurate – they're better described as tropical African birds which take a spring break in the UK to breed.

Ruth and Brian Hazleman pulled off a beautiful April Fool on me by sharing this smartphone photo of a Ring Ouzel in their Weston Colville garden on 1<sup>st</sup> April. A Ring Ouzel looks exactly like a Blackbird with a big white bib across its breast.

© Ruth H, 1st April 2022

This summer visitor to the UK prefers sparsely populated upland areas, in western Britain in spring and summer and in Spain and Morocco in winter. I've heard of migrants on steep sheep pasture in the Pegsdon Hills, a rural Bedfordshire beauty spot climbing to 172m above sea level. But . . . a shy upland bird, in a village garden practically at sea level, in the flattest part of the UK, on April Fool's Day? I thought the photo was Photoshopped and I scoffed. Boy, was I wrong. It turns out that at least one of their migration routes from Spain to western highland Britain takes them right over Cambridgeshire. Large slice of humble pie, eaten with relish...

Your Marsh Tits are now breeding, so we're not bird-ringing in the woods for the next two months. However, we will be ringing in gardens and looking for colour-ringed Marsh Tits everywhere. Emma Kaye has made a wonderful discovery: we have a third Marsh Tit surviving to at least six years old. Red over Black over Red 'Christi' was spotted at the Moat House on 24<sup>th</sup> March. Christi was colour-ringed as an adult (minimum two years old) by Rachel Durham on September 2018 – her first colour-ringed bird. The longevity of Marsh Tits in this area is a welcome surprise and the Linnean Society has asked us to talk about them. (Darwin and Russel Wallace first presented their theories of evolution, as a joint paper, to the Linnean in 1858). If you see a colour-ringed Marsh Tit, photograph it if you can and send the details to me at [cambsmarti@gmail.com](mailto:cambsmarti@gmail.com) or to Challenge. Thanks!

Our April meeting was a brief annual meeting followed by a spring party. It was good to see three guests as well as the thirteen members.

The annual meeting started off as usual with Jerusalem being sung, with music via YouTube. Reports were given and the present committee were prepared to stand, apart from Alison Clarke who has to stand down due to other pressure on her time. Alison was thanked for all her hard work. Debbie Mower was elected as President.

This was followed by a spring party with a glass of Prosecco or fruit juice each, a ‘guess the chocolate’ quiz, plus a ‘recognise the different chocolate bars’ quiz. All caused a lot of head scratching and laughter. There was a competition for the best homemade spring item, won by Bren Williamson for a delightful spring basket of flowers.

Our monthly meetings are held on the second Tuesday of the month at 7.30 pm and at present are held in the Pavilion, Balsham. Our next meeting is on 10<sup>th</sup> May when we will enjoy a Pamper evening – heavenly! We will have demonstrations from a local beautician and also a talk on Reflexology.

The film for May’s BPH will be ‘House of Gucci’ (15) starring Lady Gaga, Jeremy Irons, Al Pacino, Jared Leto and Adam Driver.

The film is inspired by the shocking true story of the family behind the Italian fashion empire. When Patrizia Reggioni (Lady Gaga), an outsider from humble beginnings, marries into the family her unbridled ambition begins to unravel the family legacy, triggering a reckless spiral of betrayal, revenge and ultimately . . . murder.

Saturday 7<sup>th</sup> May; doors open 7 pm and film at 7.30 in Balsham Church Institute.

Annual membership £12 for adults; guests £3. Dave’s bar will be open for pre show drinks and nibbles as normal.

Our April Meeting saw us take to the skies with Terry Holloway who shared his '60 years in Aviation'. By his own admission, Terry regards himself as very fortunate to have had such an interesting and eventful career and be able to share his experiences with those present.

We'll be back on terra firma for our May meeting on Tuesday 17<sup>th</sup> May, starting at 7.30 pm in the village hall, Coles Lane, Linton. Marie Curie is the subject of our talk with Peter Sara.

This will be the last meeting of the society until we meet up again in the autumn. We hope to be able to re-book our speakers who were unable to come during the covid restrictions.

So, if you want to catch up with friends and people with similar interests, why not come along?

### 2523 Linton Air Cadets

As the weather improves, our squadron training moves outside, with practical orienteering exercises, radio practice and leadership skills all being brushed up on ahead of the summer inter-squadron competitions.

Some of these skills are already being put to good use with bronze Duke of Edinburgh qualifying expeditions taking place, and with silver practice and qualifying expeditions scheduled shortly.

The training schedule has never been so varied and we look forward to catching up on all the competitions now we are back and running a full programme.

For those that have missed our April open evening but are interested in joining, it is not too late to register for our summer activities programme, a fantastic way to see what 2523 Linton Squadron has to offer before formal enrolment in September. You just have to be minimum age 12 and going into year 8 in September.

### Community Pharmacist Consultation Service

**What is CPCS?** When you call us, our receptionists will ask about your symptoms. If these indicate that you can be helped by a pharmacist, you will be offered a same-day private consultation with a community pharmacist.

Pharmacists are qualified healthcare professionals and experts in medicines. They can offer clinical advice and over-the-counter medicines for all sorts of minor illnesses, and a same-day consultation can be arranged quickly and at a time to suit you. This in turn frees up GP appointments for those people with more complex symptoms who really need to see a GP.

**How does it work?** We will forward your details to the pharmacist, along with details of your minor illness. The pharmacist will contact you to arrange your consultation on the same day, or at a time that suits you. You may be seen in person in a private consulting room if the pharmacist thinks it appropriate, or your consultation may be carried out over the phone or via video. You will be asked about your medical history and symptoms and current medication, in the same way the GP would ask you about them. Usually, the pharmacist will provide you with advice and can recommend an over-the-counter product if needed. Details of your consultation with them will be sent to us for our records.

If the pharmacist feels you need to be seen by a GP urgently, they will call us to ensure you are seen, or they will advise you to contact the hospital Emergency Department if deemed necessary. You may also be referred back to us to arrange a non-urgent appointment or follow-up.

**Why is this a good thing for patients?** Community pharmacies are local, can be open longer hours than us, and can offer you the same consultation outcome at a time that is convenient for you. If the pharmacist thinks you need to see a GP, they can help arrange an urgent appointment for you. Patients who have already used this service liked the convenience of having a consultation on the same day, or a day that suited them, at a pharmacy of their choice.

### *Permissive Path – Mill Hill to Lower Wood*

Due to the unusual amount of rain during the winter 2020-21, and the ongoing operations to extract firewood and timber from Great Covens Wood, the permissive path from Mill Hill to Lower Wood in Weston Colville had become very wet and muddy.

After consultation with Cambridgeshire County Council, Brinkley Hall Farms granted temporary permission for walkers to use the field margin from Mill Hill to Lower Wood, until the permissive path was re-instated. The condition of the permissive path (the track) is now good, so could walkers please revert to using it and not the field edge.

The landowner could have closed the permissive path for the duration of the timber extraction operation, but decided to allow people to walk on the field margin, and would be grateful if this decision could be respected.
